Riverton Downtown Façade Improvement Program

The Riverton Economic Development Office is now accepting applications for its Façade Improvement Program, which helps owners of downtown businesses renovate the exterior of their buildings. Eligible projects include repainting, replacing windows and doors, installing new signs, and repairing awnings. Interior work and routine maintenance, such as window cleaning, are not covered.

The program reimburses up to 50 percent of a project's total cost, to a maximum of $10,000 per building. Applicants who do not own the property must provide written permission from the owner. Businesses that received a grant in either of the past two years are not eligible to apply again this year.

Applications must include a detailed cost estimate from a licensed contractor and photographs of the current building exterior. Completed applications should be submitted to the Economic Development Office at 40 Mercer Street by April 30. Grants will be awarded in June, and all approved work must be finished by December 15. Funds are paid only after the work has been completed and inspected by city staff.

Subject: Façade program question

Dear Economic Development Office,

I own Marchetti's Café at 212 Front Street and am interested in applying for this year's Façade Improvement Program. I rent the building from Harold Quinn, who has already agreed in writing to the improvements I have in mind. We would like to replace the café's front windows, which are original to the 1950s building, and install a new hanging sign. A contractor has estimated the total cost at $26,000.

I received a grant from your office three years ago to repaint the building, and I was very pleased with how smoothly the process went. This time, however, I have a question. Because our busiest season begins in May, I would prefer to complete the work early next spring rather than this fall. Would that still be possible under the program's rules?

Thank you for your help.
Sofia Marchetti

Subject: Operations coordinator position

Dear Hiring Manager,

I am writing to apply for the operations coordinator position advertised on your Web site. For the past three years, I have worked as a dispatch assistant at Cardell Freight in Olympia, where I handle the weekly schedules of more than 40 drivers. In this role, I have become comfortable with several route-planning programs, although I have not yet had the chance to use RouteMax.

I grew up in a bilingual household and speak Spanish fluently, which has helped me build strong relationships with the drivers at Cardell. I am also flexible about my schedule and would have no difficulty working weekends when needed.

Please note that I will be out of the country for a family event from March 20 to March 27. My résumé is attached.

Sincerely,
Daniel Okafor

Subject:	Desk installation

Dear Ms. Whitman,

Thank you for choosing Lumen Office Interiors. As we discussed by phone last Friday, we will supply and install 18 adjustable standing desks at Pell & Andrade's offices on the sixth floor of the Corwin Building. The total price of $14,400 includes delivery and assembly as well as the removal of your old desks.

Our installation team can complete a job of this size in a single day. We recommend scheduling the work for a day when your office is closed, since assembly can be noisy. Please note that all of our desks come with a ten-year warranty on the frame and a five-year warranty on the motor.

A contract will be sent to you for signature by the end of this week.

Best regards,
Arjun Mehra, Account Manager

Subject:	Change of plans

Dear Mr. Mehra,

I'm afraid we need to make a change to our order. Our firm has just signed a lease for a larger office on the eleventh floor of Halverson Tower, and we will be moving there on April 18. Rather than having the new desks installed in our current office and then moved, we would like them delivered directly to the new location.

We have also hired four additional attorneys, so we will need four more desks of the same model. I assume the price per desk will remain the same as in our original agreement.

I'll contact the building manager at Halverson Tower about access for your team and let you know what I learn.

Regards,
Grace Whitman, Office Manager

Halverson Tower — Notice to Tenants and Contractors

Effective March 1, all deliveries of furniture and other large items must be made through the freight elevator at the north entrance. Contractors must reserve a time slot at least five business days in advance by calling the management office at 555-0186.

Packing materials, including cardboard boxes, may not be left in hallways or placed in the building's trash containers. Contractors are responsible for removing all such materials from the site when their work is completed.

Questions 191-195 refer to the following article, schedule, and e-mail.

Westport Harbor Food Festival Returns

WESTPORT (May 2)—The Westport Harbor Food Festival will return to Pier Park on June 13 and 14 after a two-year break caused by construction along the waterfront. Organizers expect more than 60 food vendors and about 20,000 visitors over the two days.

This year's festival will introduce a cooking stage, where well-known local chefs will give free demonstrations throughout each day. Festival director Monica Ruiz said the stage was added in response to suggestions from past visitors. "People told us they wanted to learn, not just eat," she said.

Vendors who wish to take part must apply by May 20. Unlike in previous years, vendors will be charged a single fee for both days rather than a daily fee. Applications are available on the festival's Web site.

Because parking near Pier Park is limited, the city will run free shuttle buses every fifteen minutes from the Westport Community College lot on both days. Visitors are also encouraged to arrive by bicycle; additional bike racks will be installed at the park's main gate.

Cooking Stage — Saturday, June 13

Time	Chef	Demonstration
11:00 A.M.	Tomás Herrera (Casa Herrera)	Grilled seafood tacos
1:00 P.M.	Lena Fischer (The Bread Loft)	Sourdough basics
3:00 P.M.	Kwame Asante (Saltwater Kitchen)	One-pan fish dinners
5:00 P.M.	Priya Raman (Spice Route Café)	Vegetarian curries

Sunday's schedule will be posted on June 6. Seating is limited to 80 people per demonstration and is available on a first-come, first-served basis.

Dear Ms. Ruiz,

I'm looking forward to the festival. Unfortunately, I've just learned that a private event at my restaurant on June 13 will run later than expected, and I won't be able to leave until about 4:30. Would it be possible to switch my time slot with the chef who is scheduled to appear after me? I've already spoken with her, and she said she would be happy to take the earlier slot.

I'd also like to give printed copies of my recipe to everyone who attends, as I did at a similar event in Portland last year. Could someone from your team let me know how many copies I should bring?

Best,
Kwame Asante

Reliable crew, one billing problem

★★★★☆

We signed up with Greenfield in early March and have been very happy with the crew, who always arrive on time and leave everything tidy. Since our property has a lot of trees and bushes, we moved up one plan level in June so that someone would also take care of the hedges, and the difference has been noticeable.

My only complaint is that our July bill was for exactly the same amount as our May bill, and I had to call twice before it was corrected. —Hannah Brooks, posted August 2
